

HEALTH ACROSS THE LIFESPAN

Are you an Asian American, Native Hawaiian and/or Pacific Islander (AANHPI) adult and interested in future research participation?

CARE is now enrolling AANHPI adults interested in research!

Please visit CARE's website for more information:

<https://careregistry.ucsf.edu/>

For inquiries, contact CARE's staff at
careapi@gmail.com or (669) 256-2609

Who Can Participate?

To be eligible for CARE, you must:

- Self-identify as Asian, Asian American, Native Hawaiian and/or Pacific Islander (AANHPI)
- 18 years old or older
- Can read and speak one of the following languages: English, Chinese (Mandarin, Cantonese), Hawaiian, Hindi, Ilocano, Japanese, Korean, Samoan, Tagalog or Vietnamese
- Reside in the United States (US) or U.S. Associated Pacific Islands (USAPI)
- Have an interest in participating in potential research

Our purpose

- CARE is a research registry designed to connect AANHPI communities to opportunities to participate in health research
- Some of the research focuses on cognitive decline, Alzheimer's disease and related dementias, aging, and caregiving-related topics

Your voice matters.
Be heard.
Be involved.
Be in research.
Enroll in CARE!

— “ —

By participating in research, you will help give a voice to the need for culturally tailored programs and treatments that you would want.

Dr. Van Park
